## ***Our Inspiration***

***Late Shri Balram Singh Ji  
1941-2018***

***" True knowledge should be promoted all over the world  
as it is the most noble and pious work"***

## Message from Secretary

Shri Balram Singh Mahavidyalaya, Nagla Maharam Hathras Road, Agra was established by the secretary of the college, soft-spoken, educationalist Shri Hakim Singh ji. Due to which his talent remains frustrated and respected parents are forced to live life with deprivation and regret. Keeping this idea in mind, with the inspiration and blessings of our social worker, soft-spoken father Shri Balram Singh ji, this college has been established with a standard system of higher education. The education of the college will bring back the memory of India's cultured Gurukul tradition with a unique and well-disciplined beautiful environment.

By accrediting B.Sc Agriculture, B.A., B.Sc., D.El.Ed courses, the college is striving hard to bring all those courses, which remain the need of the hour. After getting full education from the high academic environment, discipline and values of the college, the students will be decorated in high administrative, social and political positions. On that day the dream of the establishment of the college will come true, your cooperation is absolutely necessary for this holy work.

*Shri Hakim Singh*  
*Secretary*

*"Education is the key to development"*

## Message from Chairman

Satisfying your curiosity, we are not only feeling happy but also feeling spiritual happiness that the students of this educationally backward region will get an opportunity to get higher education in their own area, which students do not get higher education due to lack of money. They continue to bear the brunt of being able to do so and are unable to protect their self-esteem due to not being highly educated. Such students take admission in college and get higher education and establish themselves in the society and increase the value of their parents.

We SBS College Agra are committed to impart quality education to Foster the right kind of skills are these Expectations philosophy behind imparting practical useful and Holistic education is our long-term Pursuit in order to make our students Excel as competent and confident professionals in National and international.

**DR. Sundar Singh**  
**Chairman**

## Message from Principal

*It is a matter of immense pleasure for me to be a part of the SBS College Agra family as its principal. I take this opportunity to welcome students from all parts of the India to join our academic programs. Most of such students have come from the force of their family to another in their quest for knowledge and sport one needs to feel that their*

*"Education is the key to development"*

5

## Objectives

- To encourage the youth on entrepreneurship and rural development.
- To promote Research and training on sustainable development of Agricultural productivity, cost reduction in forming farm mechanization and quality animal production and Dairy products.
- To provide consultancy in agriculture to disseminate the technology innovation to the producer through integrated extension activities.
- To provide relevant and education to the students in agriculture processing and allied sciences.
- The advancement of learning and conducting research seeking solutions to emerging problems in agriculture.
- To emphasize a primary commitment to students through quality teaching from well prepared, technologically proficient professionally competent faculty. Laboratories that support the educational objectives of the department.
- Transfer of Technology to farmers and farming community through various extension programs especially for the ruler people.

## LIBRARY

A library is a place where books and sources of information are stored. They make it easier for people to get access to them for various purposes. Libraries are very helpful and economical too. They include books, magazines, newspapers, and more. In other words, they are an all-encompassing source of information.

Libraries play a vital role in providing people with reliable content. They encourage and promote the process of learning and grasping knowledge. The book worms

can get loads of books to read from and enhance their knowledge. Moreover, the variety is so wide-ranging that one mostly gets what they are looking for.

Furthermore, they help the people to get their hands on great educational material. When we read more, our social skills and academic performance improves. Most importantly, libraries are a great platform for making progress. When we get homework in class, the

libraries help us with the reference material. This, in turn, progresses our learning capabilities and knowledge. It is also helpful in our overall development.

The college has a huge library with thousands of books, daily newspapers, monthly magazines and other textual material for all kinds of subjects for the students and a pure and peaceful environment. Any student who wishes to access the library's course material can submit his/her college I-card to the library and study in the library for free. If a student wants to take text books or other text material for study, then it is mandatory to make a library card from him. After this, students can take books or other text materials for study for 15 days. If a student does not return books or other reading material to the library within 15 days, he will be fined Rs. 1 per day.

## RESIDENTIAL HOSTEL

Separate hostel facilities are available for boys and girls. Special emphasis is given on nutrition and hygiene. Round-the-clock uninterrupted electricity and water supply (along with RO water for drinking purpose) are provided. CCTV cameras and security guards keep a close watch and monitor the activities in the campus 24\*7.

## LECTURE ROOMS

In order to provide the best teaching aids to our students, we have come up with a unique design of our lecture halls. The lecture halls are spacious and air cooled with the best quality ergonomically and comfortable furniture.

## SPORTS

The college provides the facilities for playing outdoor games like Cricket, Football, Tennis, Basketball, Volleyball etc. The outdoor games are complemented by an array of Indoor games such as badminton, table tennis, carrom, chess etc for the physical fitness of students. Yoga classes are also arranged to enable students to be physically and mentally strong.

## CAFETARIA

The institute has well stocked canteen and cafeteria which provide the daily necessities to the students in a hygienic environment coupled with right Ambience the emphasis is on healthy nutrients food keeping in view the students preferences. Remains open almost 16 hours a day serving students with nutrients and delicious food and beverages. The favorite food joint of the students of S.B.S. College is college cafeteria, which is esthetically designed with a large carpet area. The cafeteria is loaded with mouth-watering delicacies and wide range of eateries and soft drinks, Chinese food, Indian snacks, North and South Indian food, averages is desserts and confectionaries are available at responsible price.

## SAFETY AND SECURITY

To ensure proper safety & security on the campus, a team of well trained guards and supervisors remain available round the clock around the premises.
